

Details of two best practices implemented by the institution during AY 2022-2023:

Best Practice- I

1. Title of the practice: Morning Assembly and Rabindra Charcha
2. The context of the practice: The Institute focuses on regular Morning Assembly, where National Anthem is played which is the pride of India and we the Indians feel proud of it. The Anthem reflects the history, tradition and composite culture of India. As the establishment of this institution is after the named after the Nobel Laureate Rabindranath Tagore, the Institute focuses on Rabindra Charcha for students and staffs for their holistic development.
3. Objectives of the practice: The objective of the practice is to arouse patriotic emotion among our students through National Anthem and student's holistic development by the discussion on Rabindranath Tagore.
4. The Practice: In every working day Assembly is organized in a fixed time in which students, teachers and non-teaching staffs of the College takes part in the National Anthem and after that different kind of notices and information are announced. Rabindra Charcha classes are held regularly as per Central Routine of the College. In these classes students take part in various activities where they read out or recite various poems of Tagore, sings songs of Tagore. The teachers discuss and help the students to understand the different philosophical thoughts of Tagore. Various prose pieces of Tagore, especially based on Indian education system are also regularly discussed in the classes for deeper understanding of the humanitarian philosophy of Tagore. Sometimes, plays of Tagore are also acted out in the classes. Apart from all these, Rabindra Charcha is also often held in the Assembly.
5. Obstacles faced if any and strategies adopted to overcome them: Sometimes due to acute sunshine and rainfall it become impossible to do Assembly in the open ground, then the Assembly take place in the corridor of the Academic building of the Institution. Other than those no obstacles were faced as such regarding the implementation of the practice.
6. Impact of the practice: Assembly and Rabindra Charcha plays a crucial role in the moral development of students. Different speeches, stories, thoughts of different Nobel persons etc performed or recited in the Assembly and Rabindra Charcha classes gives too

useful and inspiring messages to students as well as staff and also promoted a sense of unity and togetherness. Rabindra Charcha also inspired generations of reader and people.

7. Resources required: Resources required for the Assembly is public address system components and for Rabindra Charcha a room with a stage and sound system components are required.

8. About the Institution:

i. Name of the Institution: Rabindranath Thakur Mahavidyalaya, Bishalgarh, Sepahijala, Tripura.

ii. Year of Accreditation: 2019

iii. Address: Harishnagar, College Road, Bishalgarh, Sepahijala, Tripura, Pin- 799102

iv. Grade awarded by NAAC: B

v. E-Mail: rtmbishalgarh@gmail.com

vi. Contact person for further details: Dr. Kalpana Das, Assistant Professor and Coordinator IQAC, iqacrtm2@gmail.com

vii. Website: www.rtmbishalgarh.ac.in

Best Practice- II

1. Title of the practice: Workshops and Skill Development Programs for students, staffs and people from Adopted village of the Institution.

2. The context of the practice: Workshops provide an opportunity to explore current topics, hands-on-training and practical application. Skill development programs are important for empowerment, to develop personalities, enhance work proficiency, to improve communication skill etc. In this context the Institution organizes different relevant workshops and skill Development Programs to improve employability of students and villagers and to help them in starting small commercial ventures.

3. Objectives of the practice: The objectives of the practice are to boost self-confidence, maximizing potentialities, to develop personalities, to enhance work proficiency, to improve communication skill and to preparing women for economic independence.

4. The Practice: Under the guidance of IQAC different workshops and skill development initiatives have been taken by the Institution. E-Skill development Training for Staff, Workshop on "Vermiculture and Vermicomposting", 5- Day Hands on Training for Staff on "Office Management" and 2-Day Workshop for Skill Development and Capacity Building on "Paper Bag and artificial flower making" for girl students and womens of Adopted village of

RTM were conducted in the Institution. Theoretical aspects of these units were elaborately explained and hands on training also imparted.

Sl.	No Name of the Programme	Date	Organizing Department/ Committee/cell	Collaborating Institute / Agency	Resource Persons	Number of Student participants
1	E-Skill development Training for Staff	13th June, 2022 - 13th July, 2022	IQAC, RTM	-	Dr. Ruma Saha, Principal-inCharge, RTM, Bishalgarh, Dr. Kalpana Das, Coordinator, IQAC and Smt. Taniva Choudhury, Assistant Professor, Department of IT.	20
